Dear Joan Snow Families,

It is our pleasure to welcome you to the Joan Snow Pre-K Center. Our administration, teachers, and support staff have been looking forward to seeing your children’s smiling faces, and we look forward to an exciting year of learning and growth. As you and your children settle into the new school year, remember that we are here to partner with you to ensure a wonderful year!

To help students successfully transition to a full day of school our first three days will be shortened and staggered. For September 8 and September 9, your child will be assigned to a group and attend one and a half hours on day one and day two. Day three will be a half day for all 3K and PreK students.

During the week of August 29, 2022, you will receive an email confirming your child’s class and assigned times for the first two days. On September 6, your child’s teacher will reach out and invite you to a virtual orientation.
