Week 1

Focus Question: What kinds of light are around us

STEAM

Sun Collage

A square collage on a blue background. The central part is a sun made of many small, overlapping pieces of yellow and orange paper. The sun has several rays extending outwards, also made of paper scraps.

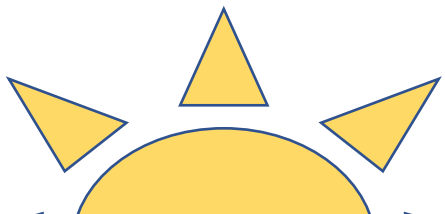

Rainbow in a Jar

A clear glass jar sitting on a wooden surface. Inside the jar, there are several distinct horizontal layers of colored liquids. From top to bottom, the colors are red, orange, yellow, green, and purple. The bottom layer is a dark brown liquid.

Feelings with Play Doh

Two faces made of play dough are shown on a whiteboard. The face on the left has green hair and a purple mouth. The face on the right has a blue head and a yellow mouth. The whiteboard is surrounded by several small, colorful containers of play dough in various colors like red, yellow, green, and blue.
